

# RAUNAK VERMA

Aliganj Etah, +91 8267898790 , dineshverma8448592@gmail.com

[LinkedIn](#) [Portfolio](#) [LeetCode](#) [GitHub](#) [Kaggle](#)

Computer Science student skilled in data analytics and visualization (Power BI, Excel, SQL, Python). Completed Tata Group simulations and solved 130+ LeetCode problems. Eager to drive insights for business and AI solutions.

## WORK EXPERIENCE

### Data Visualization Internship Tata Group (Forage) – Virtual

Jun 2025 – Jun 2025

- Created dashboards using Power BI and presented actionable insights
- Prepared executive-level visuals and strategic business questions
- Simulated real-world Tata projects using data storytelling and analytics

### GenAI Powered Data Analytics Simulation Tata Group (Forage) – Virtual

Jul 2025 – Jul 2025

- Analyzed datasets using SQL, Excel, and Python to extract insights
- Cleaned and visualized data using Power BI and Matplotlib
- Prepared dashboards and reports to support business decisions

### Data Analytics Virtual Internship Deloitte (Forage) – Virtual

Jul 2025 – Jul 2025

- Explored client sales data and identified key financial trends
- Created summaries and dashboards for internal stakeholders
- Delivered data-backed recommendations based on business objectives

## EDUCATION

### GLA University, Mathura

Aug 2022 – May 2026

Bachelor of Technology – Computer Science

## PROJECTS

### India Election Analysis Dashboard

Power BI

- Designed a real-time dashboard to visualize election outcomes and party performance
- Used maps, bar charts, and KPIs to compare region-wise voting patterns and turnout
- Included filters for year, state, and political party segmentation

### Interactive Excel Dashboard (Sales Data)

Excel, Power Query

- Designed sales dashboards to analyze KPIs and customer trends
- Used slicers and visual storytelling for business insights

## SKILLS

- **Data Tools & Technologies** : Power BI, Advanced Excel, Power Query, SQL, Python, Pandas, Matplotlib
- **Data Analytics & Visualization** : Data Analysis, Data Cleanup, Data Interpretation, Data Visualization, Charts & Graphs, Dashboard Design, Analytics & Insights, Analysis & Presentation
- **Soft & Communication Skills** : Effective Communication, Visual Basics, Data Storytelling, Collaboration, Logical Thinking

## CERTIFICATIONS

- **GenAI Powered Data Analytics Simulation** – Tata Group (Forage)
- **Data Visualization Simulation** – Tata Group (Forage)
- **Data Analytics Virtual Experience** – Deloitte (Forage)
- **Microsoft Power BI Badges** – Get Data in Power BI, Copilot, Building Reports, Data Analysis
- **Java (Basic)** – HackerRank
